console apps

Availability of apps are subject to change. Some apps are not available in all areas. Additional apps may become available. Workouts and features vary based on model type, console configurations, software versions and options purchased.

* Available on XUR and XIR only.

Our integrated ViaFit™ connectivity system sends workout data to the fitness apps you already use, like Apple Health, Garmin, Strava and more.

Experience an immersive workout with high-definition destination footage synced to the speed of your workout. Includes two Virtual Active courses.

Matrix featuring iFIT syncs your equipment to interactive studio classes, Global Workouts, Google Maps Street View and over 16,000 workouts led by inspiring trainers. Trial iFIT family membership included.
